# ABOUT ME

Hi, I'm Naomi Benson

Class of 2025, 6'3 Multiplayer, 1 in 17,260. I was born and raised in Streetsboro Ohio, current population 17,260. I love God, basketball, reading, swimming, and traveling. I am the youngest sibling of two brothers who both are college athletes. I learned the game of basketball by watching my 6'12 and 6'8 brothers.

More Than An Athlete

Basketball is my passion, but I love God, fashion, reading, swimming, technology, traveling with my family and hanging out with my friends.

Favorite Scripture Phil 4:13
